DIRECTOR GENERAL'S PUBLIC RULING

Section 138A of the Income Tax Act 1967 [ITA] provides that the Director General is empowered to make a public ruling in relation to the application of any provisions of the ITA.

A public ruling is published as a guide for the public and officers of the Inland Revenue Board of Malaysia. It sets out the interpretation of the Director General of Inland Revenue in respect of the particular tax law and the policy as well as the procedure applicable to it.

The Director General may withdraw either wholly or in part, by notice of withdrawal or by publication of a new ruling.

**Director General of Inland Revenue,
Inland Revenue Board of Malaysia.**

1. Objective

The objective of this Public Ruling (PR) is to explain the tax treatment of income received by a foreign fund management company that provides fund management services to foreign and local investors. This PR is not applicable to a foreign fund management company that issues, offers or makes an invitation to subscribe or purchase units of conventional unit trust funds.

2. Relevant Provisions of The Law

- 2.1 This PR takes into account laws which are in force as at the date this PR is published.
- 2.2 The provisions of the Income Tax Act 1967 (ITA) related to this PR are section 2, paragraph 6(1)(h), section 60G and Part IX of Schedule 1.
- 2.3 Relevant subsidiary law referred to in this PR are P.U.(A) 199/2007 and P.U.(A) 255/2008.

3. Interpretation

The words used in this PR have the following meaning:

- 3.1 "Individual" means a natural person;
- 3.2 "Person" includes a company, a body of persons, a limited liability partnership and a corporation sole;
- 3.3 "Foreign investors" –
 - (a) in relation to an individual means individuals who are not resident and not citizens of Malaysia;
 - (b) in relation to a company means companies where the entire issued share capital is beneficially owned, directly or indirectly by persons who are not resident and not citizens of Malaysia; and
 - (c) in relation to a trust fund means trust funds where the entire interest in the fund is beneficially held, directly or indirectly by foreign investors, where –
 - (i) the fund is created outside Malaysia; and
 - (ii) the trustees of the fund are not resident and not citizens of Malaysia.
- 3.4 "Local investors" are individuals, companies or trust funds that are not foreign investors.

4. Foreign Fund Management Companies In Malaysia

- 4.1 A foreign fund management company is a company incorporated in Malaysia and licensed under the Capital Markets and Services Act 2007 [Act 671].
- 4.2 Among the conditions stipulated by the Securities Commission Malaysia (SC) for the licensing of the foreign fund management company is that more than 50% of the paid-up capital must be owned by foreign equity.
- 4.3 A foreign fund management company is basically a company incorporated to provide fund management services to its clients. The SC has issued the following guidelines and documents for the establishment of foreign fund management companies in Malaysia:
- (a) Guidelines for the establishment of foreign fund management companies (Revised on 1.7.2000);
 - (b) Application for the establishment of foreign fund management companies under the special scheme (Revised on 24.12.2007); and
 - (c) The SC licensing handbook (as amended on 26.11.2009).

For further information on the guidelines and documents, please refer to the SC's website at www.sc.com.my.

5. Basis of Assessment

The basis period for a year of assessment of a foreign fund management company will be its financial accounting period and this is determined in accordance with the provisions of sections 20 and 21A of the ITA.

Example 1

A foreign fund management company commenced operations on 1.11.2010 and made up its accounts up to 30.6.2011. The company makes up its subsequent accounts up to 30 June annually.

The basis periods for the following years of assessment are:

Year of Assessment	Basis Period
2010	1.11.2010 to 31.12.2010
2011	1.01.2011 to 31.12.2011
2012	1.07.2011 to 30.06.2012
2013	1.07.2012 to 30.06.2013

6. Tax Treatment

(a) Special tax treatment

A foreign fund management company that provides fund management services to foreign investors are accorded special tax treatment under section 60G of the ITA.

(b) Income of a foreign fund management company

A foreign fund management company that carries on the business of providing fund management services to foreign and local investors derives management fees for its services. As the management fee is received in the course of carrying on a business, it is treated as business income by virtue of paragraph 4(a) of the ITA. Where a foreign fund management company provides fund management services to both foreign investors and local investors, the income derived from the provision of such services to each of these categories of investors will be treated as arising from separate and distinct business sources.

[subsection 60G(1) of the ITA]

(c) Provision of fund management services to foreign investors - Computation of chargeable income

The chargeable income from a source consisting of the provision of fund management services to foreign investors for a year of assessment is the statutory income from that source reduced by unabsorbed losses brought forward from earlier years from the same source.

[subsection 60G(2) of the ITA]

(d) Income of a foreign fund management company other than income from fund management services provided to foreign investors - Computation of chargeable income

The chargeable income derived from a source or sources other than the source consisting of the provision of fund management services to foreign investors for a year of assessment shall be the statutory income from that source or the aggregate of the statutory income from each of those sources, as the case may be, reduced by any deductions for brought forward losses and current year loss from other business sources (other than losses from the provision of fund management services to foreign investors).

In other words, the brought forward losses and the current year business loss from the provision of fund management services to foreign investors are not deductible against the income from the provision of fund management services to local investors and other sources of income of the fund. Similarly, brought

forward losses and the current year business loss from the provision of fund management services to local investors and other business sources are not deductible against the income from the provision of fund management services to foreign investors.

[subsection 60G(3) of the ITA]

(e) Funds of foreign investors managed according to *Syariah* principles

Foreign fund management companies which manage funds of foreign investors according to *Syariah* principles are exempted from the payment of income tax in respect of statutory income derived from a business of providing fund management services to foreign investors in Malaysia. The *Syariah* funds shall be certified by the SC for each year of assessment during the exempt period. The exemption applies for the year of assessment 2007 until the year of assessment 2016.

[Income Tax (Exemption) (No.15) Order 2007 [P.U.(A) 199/2007]

(f) Funds of local investors managed according to *Syariah* principles

Foreign fund management companies which manage funds of local investors according to *Syariah* principles are exempted from the payment of income tax in respect of statutory income derived from a business of providing fund management services to local investors in Malaysia. The *Syariah* funds shall be certified by the SC for each year of assessment during the exempt period. The exemption applies for the year of assessment 2008 until the year of assessment 2016.

[Income Tax (Exemption) (No. 6) Order 2008 [P.U.(A) 255/2008]

(g) Tax rates

The tax rates applicable to a foreign fund management company are as follows:

Shareholding of A Foreign Fund Management Company	Type of Investors	Tax Rate (%)
100% foreign equity	Foreign	10
At least 30% local equity	Foreign	10
At least 30% local equity	Local	Prevailing domestic tax rates applicable to residents

[Part I and Part IX of Schedule I to the ITA]

(h) Exempt account

Prior to 1.1.2014, a resident company providing fund management services to foreign investors shall credit the net amount of its chargeable income from the source (after deduction of tax @ 10%) to an exempt account. With the full implementation of the single-tier tax system effective from 1.1.2014, the foreign fund management company no longer needs to maintain the exempt account.

(i) A summary of tax treatment accorded to a foreign fund management company is shown in the Appendix.

(j) Determination of chargeable income of a foreign fund management company

Example 2

ABC International Asset Management Group, one of the world's largest asset managers incorporated a wholly owned subsidiary in Malaysia, ABC International Asset Management Malaysia Sdn Bhd in 2008. ABC International Asset Management Malaysia Sdn Bhd was established as a foreign fund management company and had received the SC's approval to provide fund management services to both foreign and local investors.

The service and other charges which can be specifically identified are allocated entirely to the respective funds. Common charges of the group are allocated to individual sub-funds in the ratio of their net asset values at the end of each quarter.

As ABC International Asset Management Malaysia Sdn Bhd provides fund management services to both foreign and local investors, the income from the provision of such fund management services to foreign investors shall be treated as a separate and distinct business source of income from the provision of fund management services to local investors.
